EDUCATION

Bachelor of Technology in Computer Science Engineering
RGPV University, Bhopal

04/2017 - 01/2021

PROJECTS

Happy Hour Restaurant (HHR) (01/2021 - 06/2021)
- Developed a comprehensive table booking and food ordering system using React.js with Redux for state management, a Django API for backend services, and PostgreSQL for the database.

Snippit CRM (Web and Mobile Application) (07/2021 - 04/2022)
- Streamlined CRM systems for lead generation and customer interactions using React Native for mobile and React with Redux Toolkit and TypeScript for the web. Implemented backend services with Node.js and Next.js, and utilized AWS S3 for storage solutions. Integrated OAuth2 for secure authentication.

Awak (05/2022 - 09/2022)
- Enhanced kidney dialysis solutions through innovative technology integration using React.js with TypeScript and Material-UI for the frontend, and Node.js with Express.js for backend

Mas-Max (web and mobile application) (10/2022 - 06/2023)
- Developed and led a team in creating a unified car service application to improve industry efficiency, utilizing React.js with Redux Toolkit, Node.js, and Next.js for API architecture. Implemented frontend components with Material-UI, managed client requirements, and oversaw deployment

HRMS (Human Resource Management System) (06/2023 - 08/2023)
- Built an in-house HR management system using React with TypeScript for the frontend and integrated Firebase for backend services. Managed API requests with Node.js and Express, and used MongoDB for data storage

Genesis.ai (09/2023 - 06/2024)
- As Lead Frontend Developer, led the creation of an image-recognition tool using React.js and Tailwind CSS, integrating AI and ML models for advanced analysis. Deployed backend services with FastAPI and utilized AWS and Microsoft SSO for secure and scalable solutions

WORK EXPERIENCE

Lead Frontend React Js Developer
Encred Analytics Pvt Ltd

09/2023 - 06/2024   *remote*
Led the frontend development of high-traffic web applications, ensuring seamless UX and efficient performance.
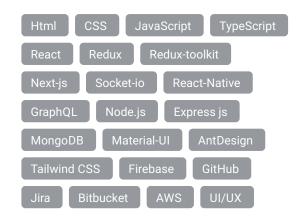

Frontend React Js Developer
Santophy Infotech Pvt Ltd

07/2022 - 09/2023   *Indore*
